ELLIPTICAL

On-your-finger-tips resistance and incline controls on ergonomically designed handle bars keep controls within easy reach.

Oversized bottle holder plus towel hanger ensure users' bottle and towels are easy to reach at all times.

Users can alter the height of the elliptical path their foot travels. Precision extruded aluminum rails offer smooth and natural motion.

Easy to service shroud designs convenient maintenance.

Ergonomic multi position dual action handlebars allow users to target specific muscle groups and total-body workout.
